ABOUT US

- Offices in Hamburg, Germany and Shanghai, China
- Can handle world wide freight, including overweight, break-bulk etc.
- WCA member
- Partners in almost every country around the globe
- More than 20 years experience in freight forwarding

OUR VALUES

- *Customer is king*: we believe that our customer's demands come first and are always doing our best to satisfy these demands
- *Integrity*: Honesty and trust from all sides is required for a mutual, fruitful business cooperation
- *Outstanding service*: with us taking care of all paperwork, our customers can fully concentrate on their core competence
- *Quality*: we get it done right, instead of just getting it done
- *Innovation*: we challenge ourselves to continue to become better every day
- *Competitive price*: we believe that our customers can only grow if we provide them with prices that are competitive
